

www.enjoymoviesinthepark.com

Welcome to Enjoy Magazine's Enjoy Movies in the Park - one of the North State's most popular and well-attended events of the summer.

Enjoy Movies in the Park is a philanthropic effort of Enjoy the Community Co. (ETC) which aims to provide fun, inexpensive entertainment for families while helping worthwhile local causes to earn donations. Family and friends have gathered by the hundreds, every week throughout the summer, with their blankets, lawn chairs and picnic baskets to enjoy this wholesome community activity.

Each month, Enjoy Movies in the Park "adopts" a local nonprofit organization or charity, which has an opportunity to share its mission with the audience. Although the movies are free, our mascot, "Flick" the squirrel, passes his bucket around to movie-goers to encourage donations for the featured cause. Food vendors also donate 20 percent of their proceeds each evening to the effort.

The event is held at a different regional park each month to help ensure that people all over the community can participate. Movies run every Friday night from June through September.

Should you wish to be a sponsor or a food vendor, please contact James Mazzotta at 246-4687 ext. 101.
